## Introduction and Acceptance

We are in the business of providing services to assist hirers and employers with the introduction of temporary, contractor or permanent staff.

This CSA comprises the framework terms and conditions upon which we conduct business ('these Terms') and consists of CSA - Part 1 (setting out our summary commercial terms and rates), and CSA - Part 2 (setting out our detailed main terms).

Once you have received this CSA, any act by you of accepting or requesting services from us or using in any way information from us relating to a Candidate, is deemed to be and shall constitute your acceptance of these Terms which then apply.

Definitions are denoted by upper case first letter and are contained in various parts and/or the definitions section of these Terms. You may view our Privacy Notice at [https://www.mcgregor-boyall.com/legal\\_page/privacypolicy/](https://www.mcgregor-boyall.com/legal_page/privacypolicy/)

## CSA – Part 1

### CSA Terms

1. Our principal service is to locate, introduce and/or engage with suitable candidates for you to employ generally or take on a fixed or temporary basis to meet your requirements. Candidates may be individuals for temporary or permanent hire, temp agency workers or contractors depending on your needs. If you require any alternative services, we will be happy to discuss with you but please note these may be subject to different terms.
2. We may appoint one or more account managers to act as our point of contact to liaise with you. Please refer any question concerning a Requirement or Candidate to the appointed person. Our authorised officer, for the purposes of varying these Terms is a director or any other person we notify to you from time to time.
3. Except where there are Expenses or we have agreed a specific chargeable item, for example, an advertising campaign or a different/specific service, we only charge fees where we supply or Introduce Candidates that you use, or there is an Offer. Please note we are entitled to our Fee for an Introduction regardless of the role, tasks, or purpose for which you use a Candidate.
4. We rely on the information you give to us so that we can provide the best outcome for you. Accordingly, it is important that you give us all the information necessary for every placement and we will advise you on what we need from time to time. To avoid any misunderstanding it is also important that you keep us promptly informed of your intentions in relation to Candidates we Introduce. For example, if you are already considering a person we Introduce as a Candidate for engagement at the time of the Introduction you should let us know immediately and in any event within 3 working days of the Introduction.
5. The default Fee Period is 12 months.
6. Candidates we supply on a temporary basis are engaged by us on a contract for services unless we inform you otherwise. As the Candidate's relationship is with us and you are not intended to be the Candidate's employer, save for providing the Candidate with required information related to the work being done, you should refer any questions and relationship matters to us, not to the Candidate. Our contract with the Candidate shall include the following obligations:
  - (a) to perform the work required under an Assignment in good faith with due care and skill, and not perform any work during the Temp Supply for any third party which conflicts with your interests
  - (b) not to make use of your confidential information except where authorised
  - (c) upon termination of the Temp Supply to deliver up to either you or an End User any documents and other materials of yours or the End User's held by the Candidate.
7. Our Fees depend on the type of service provided and are calculated using the Fee Scales. Except for Temp Supply or where otherwise agreed, the Fees are calculated as a percentage of total Remuneration.
8. The Invoicing Interval for a Temp Placement is weekly, for a Temp Supply is weekly. You must validate work done where there is a Temp Supply at the end of each week (Validation Period).

9. You are ultimately responsible for ascertaining suitability and checking the Candidate's work and performance, and so, whilst we accept liability for our own negligence and where required by law, we do not accept liability for the work done by a Candidate in any circumstances. Our liability excludes indirect loss, is subject to a cap of £1million, unless otherwise required by law, in the case of a Temp Supply is limited to one month's Fee under the Assignment, and in the case of a Temp Placement is limited to our charge for one month.
10. If your employment of a Candidate ends within the stated period in the Rebate Scale, we shall repay a proportion of the Fee ('Rebate') in accordance with the Rebate Scale provided all the Rebate Conditions are met. A Rebate is due 30 days after all Rebate Conditions have been satisfied.
11. The Rebate Conditions are:
- (a) the arrangement in respect of which the Rebate is claimed was a Perm Placement agreed with us
  - (b) no later than 3 working days after the date on which one party to the employment informs the other of the decision to terminate, time being of the essence, you inform us in writing
    - (i) of the fact and date of the decision and the date of actual termination
    - (ii) whether the decision was made by you or the Candidate and the reason for the decision to terminate, with a copy of any written notice of termination, and
    - (iii) that you wish to claim a Rebate
  - (c) the employment was not ended by reason of redundancy but was ended
    - (i) by you, by reason of the fact that the Candidate was wholly unsuitable for the position taken up ('the Role') arising from matters that you became aware of since the employment commenced, not being matters that you should reasonably have become aware of prior to commencement of the employment, or
    - (ii) by the Candidate, other than because of your act or omission which amounted to a breach of your obligations to the Candidate
  - (d) prior to the Perm Placement you have not used the Candidate in any capacity, whether working direct for you, by supply through us, or otherwise
  - (e) you provided us with full and correct information relevant to the Role and the Candidate was employed in the Role as described
  - (f) you are not in breach of these Terms
  - (g) you have first paid the relevant Fees in accordance with the Payment Terms, time being of the essence.
12. It is an additional Rebate Condition that at the same time as claiming the Rebate you make a written request for us to seek a replacement Candidate for the Role, in which event the following process shall apply:
- (a) we may in good faith seek to Introduce a replacement Candidate within 28 days, or such longer period as you agree
  - (b) you cooperate in good faith with our effort
  - (c) unless a Candidate so Introduced is demonstrably not suitable for the Role and within 7 days of the Introduction you provide us with proper reasons for rejection, the Introduction shall be deemed to be a replacement for the Introduction of the first Candidate and your entitlement to a Rebate shall cease
  - (d) if we notify you that we are, or consider we may be, unable to Introduce a Candidate in compliance with these arrangements, or we are unable to Introduce a replacement within the period referred to in sub paragraph (a), a Rebate shall then be due
  - (e) nothing in this clause removes your obligation to pay us a Fee in accordance with these Terms if you Engage a proposed replacement Candidate you have informed us has been rejected.
13. You agree to promptly repay a Rebate if, within 12 months of your Rebate claim, you re-Engage the relevant Candidate or if the Rebate was not properly due to you.
14. Where you employ a Candidate and have kept us informed of your decision to employ, we agree not to solicit the Candidate to take up employment elsewhere for the period of 12 except where any of the Non-Solicit Conditions apply. Contact of a general, automated, or inadvertent nature (for example, by reason of connection with or inclusion on social media or a mailing list) shall not amount to soliciting.
15. The Non-Solicit Conditions are:
- (a) you are in breach of these Terms
  - (b) the employment has ended for any reason, the embargo ceasing upon the giving of notice of termination
  - (c) you did not provide us with full and correct information relevant to the Assignment
  - (d) you have agreed we may help the Candidate find other work.
16. If you are not satisfied with a Candidate we supply for an ongoing Requirement you agree to give us reasonable time to find and supply a suitable alternative Candidate.

17. Wherever there is an increase in Remuneration within 12 months of commencement of an Engagement, including due to increased hours, we shall be entitled to raise a further invoice for our Fee reflecting the increase. IR35 tax. If we advise you that a Candidate for a Temp Supply operates through a company or partnership to which the off payroll tax rules (OPR) may apply you must provide us either with an SDS, namely a status determination statement in the form required pursuant to the OPR or an OPR Exempt Statement, namely that the OPR do not apply because you are either a small company or you have no UK connection. Your statement to us in either case may affect the rates upon which we can provide the supply.
18. **Payment Terms.** Fees and Expenses are payable within 21 days from the date of our invoice save for Engagements of which we are not informed in advance for which our Fees are payable within 7 days of the Engagement.
19. This CSA shall not apply where we have otherwise signed terms of business, or any other agreement, pertaining to the provision of recruitment services on your behalf, unless previously terminated. For the avoidance of doubt, where any previous terms of business or other agreement applies only to Perm Placements or to Temp Placements, then the CSA will apply to the area (either Perm Placements or Temp Placements) for which terms have not yet been agreed.

**FEE SCALES**

**Fees 1 – Fee Scale for Perm Placements and Engagements except where otherwise specified**

Our Fee is based upon the total of the cost to us of engaging and supplying the Candidate whether calculated with reference to a Candidate (including statutory payments we make to or relating to the Candidate or by virtue of our payment to the Candidate) or our business ("Total Cost") plus our charge ("Charge") which, unless otherwise agreed in writing, shall be calculated as a percentage of Total Cost. Note: Fees may increase if our costs increase.

**Fees 4 – Transfer Fee for Engagements Following our Supply of the Candidate**

The higher of 25% of Remuneration, or a fee charged under Fees 1, chargeable if there is an Engagement within the relevant Transfer Period of a Candidate we have supplied.

A Fee based on Fees 1 is payable in the case of an Engagement of a Candidate we have Introduced, but not actually supplied, for any purpose.

**Rebate Scale**

The Rebate shall be the amount equivalent to the percentage of Fee shown in the scale below, the percentage of Fee depending upon the date employment ends, the lowest percentage always applying:

**Section 2 - General obligations, Information and Introductions**

- 2.0. We agree to use our reasonable endeavours to provide the Services. For the purpose of the Conduct Regulations where your Requirement is only for the Temp Supply of a Candidate we shall be acting as a Supplier but for all other Requirements we operate as an Introducer.
- 2.1. You agree to accept our Services and you acknowledge and agree
- (a) the Conduct Regulations and other statutory obligations require us to provide specific information to each Candidate and to other authorities in relation to a Requirement; accordingly, to enable us to comply with our obligations and to help us introduce a suitable candidate you must
    - (i) upon issuing a Requirement or as soon as possible thereafter provide the information set out in the Schedule together with answers to additional questions we may raise, and
    - (ii) prior to an Engagement promptly inform us of relevant additional information or of any change to information already provided
  - (b) in order to achieve a satisfactory outcome, and regardless of our statutory obligations, to check that the Candidate is suitable for your purposes and that you are satisfied with the information and confirmations we have provided to you, and you agree in particular
    - (i) irrespective of any references or information that we may provide, to take up your own references for the Candidate and verify the experience, training and qualifications of the Candidate or other information supplied
    - (ii) to ensure that the Candidate has any necessary permit or authority to work for you and comply with asylum and immigration requirements relevant to an employer
    - (iii) to explain your requirements to the Candidate prior to or on commencement of the Engagement
  - (c) where an authorisation or a licence is required to enable the Candidate to legitimately work in the position you seek to fill, your request for us to seek a Candidate shall be deemed to be your confirmation that you have all necessary authorisations and licences unless you have informed us otherwise prior to any Engagement
  - (d) to ensure that all information you provide to us is complete and accurate
  - (e) to keep us promptly informed of your intentions in relation to an Engagement of a Candidate throughout the Fee Period.
- 2.2. We may Introduce Candidates to you regardless of any specific Requirement and for the avoidance of doubt you may Engage the Candidate for any purpose, job or role regardless of a stated initial intention. If you have not already provided us with information in accordance with this Section 2, you agree to provide us with that information promptly.
- 2.3. Transparency is important to avoid duplication of effort. Accordingly in respect of your Requirement you agree to tell us promptly if you are using Social Media or a third party to fill the positions sought, and whether you are actively considering any individual already known to you or introduced from another source. In all cases it is your sole responsibility for checking whether a Candidate has been previously introduced by another party and for keeping us informed.
- 2.4. If you are already, at the time we first Introduce a Candidate to you, actively considering the Candidate for Engagement such that you believe that we have no entitlement to a Fee, it is important that you do not take any action to affirm our effort in relation to the Candidate and you notify us in writing within the notification period specified in the CSA Terms, or, if no period is specified, within 3 working days of the earliest date upon which you are able to identify the Candidate from the information we have provided, together with clear supporting evidence of your active consideration.
- 2.5. Wherever there is an Assignment we shall endeavour to advise you of the details as soon as possible unless, in the case of a Perm Placement, you have concluded negotiations with the Candidate direct. For the avoidance of doubt, whilst we may advise you of the details applicable to the placement of a Candidate, those details are relevant only to record rates agreed for the purposes of our Fee and your use of the Candidate but not further or otherwise.
- 2.6. In the case of a Temp Supply, we may confirm the detail of the Assignment to you and ask you to accept. However regardless of any express acceptance the commencement of any work for you, or attendance at the Client Site, by the Candidate shall be deemed to be and constitute your acceptance of the Assignment.

**Section 3 – Remuneration**

- 3.0. For the purposes of our Fees, Remuneration is calculated as follows:
- (a) subject to clause 3.0(b), the total proposed or projected sum (whichever is higher), payable by you or an End User for the benefit of the services of a Candidate under an Engagement for one calendar year from the earlier of the proposed or actual commencement of the service, together with the value attributable by HM Revenue & Customs, or for the avoidance of doubt, would be attributed by HM Revenue & Customs were the benefit subject to tax in the UK, of all taxable benefits provided under the Engagement, such value in respect of a motor vehicle being not less than £7,500

- (b) calculation is on an annualised basis, so that the same payment rate or charge applicable during the period of an Engagement which is projected to be for less than a full calendar year shall be deemed to apply as if the Engagement were to continue for a full year, whether or not the Engagement continues for a full year.
- 3.1. Wherever there is an Engagement, not being a Temp Supply, in respect of which we believe (whether reasonably or otherwise) we may be due a Fee you shall, within 7 days of our written request, provide details of the Remuneration and such other material terms of the Engagement as we may request. If you do not inform us of the relevant Remuneration within 7 days of our enquiry, or by a later date we raise an invoice, the Remuneration shall be deemed to be an amount calculated on the basis of the higher of
- (a) the rate payable by you under the last previous Assignment, or
  - (b) the highest amount or rate indicated by either you or us as payable for the services sought by you, or
  - (c) the highest amount achievable in the marketplace for a person of similar experience to work in the position that has been filled - such amount shall be determined by us based upon appropriate evidence.
- 3.2. For the avoidance of doubt in the case of an Offer that is withdrawn, Remuneration shall be calculated on the projected sum and/or value contained within the Offer.

#### **Section 4 – Fees and Invoicing Generally**

- 4.0. You agree to pay our Fees and Expenses in accordance with the Payment Terms without deduction, set off or counterclaim, subject only to clauses 6.4 and 6.5.
- 4.1. Our Fees are due and payable by you whenever you use a Candidate, an Offer is made, we provide an Additional Service for which we have agreed a Fee, or otherwise as agreed in or pursuant to these Terms. For the purposes of these Terms, you 'use a Candidate' whenever there is an Engagement within the Fee Period, being where you Engage a Candidate (whether or not as an Assignment), or you introduce (by providing information or otherwise) a Candidate to an End User which enters into an Engagement of the Candidate. The date of an Engagement shall be deemed to be the earlier of the date of an agreement to Engage or the date of commencement of any services under an Engagement.
- 4.2. Save as otherwise provided for, Fees for Engagements and Assignments and how they are calculated are set out in the Fee Scales.
- 4.3. In the case of a Temp Placement we may as a concession ('Concession') agree to charge a single fee based on Remuneration calculated on a fixed period ('Fixed Period') of your Engagement of the Candidate instead of a Fee under Fees 2 (margin only) or under Fees 1 (for Perm Placements and Engagements), and in the event of an agreed Concession the following shall apply:
- (a) it is a condition of our agreement to accept the Concession single fee that payment is made in accordance with the Payment Terms, time being of the essence
  - (b) we shall raise a single invoice for the agreed fee relevant to the Fixed Period
  - (c) if the Engagement extends beyond the Fixed Period ('Extension') we shall be entitled to charge a further Fee charged at our sole discretion
  - (d) on the same basis as the fee for the Fixed Period, for the period of the Extension, or
  - (e) as a margin charge under Fees 2 for the period of the Extension and any subsequent Extensions, or
  - (f) as a fee calculated under Fees 1 as if the Temp Placement were a Perm Placement at the time the Extension commences
  - (g) clause 4.3(c) shall apply to each Extension in all cases save where we have charged a Fee under Fees 1
  - (h) you shall not be entitled to a refund or credit if the Engagement ceases before the end of the agreed fixed period, whether the Fixed Period or an Extension.
- 4.4. No Fee shall be chargeable for an Offer if, prior to the Candidate starting work, you withdraw the Offer on the grounds that you have since come into possession of information with supporting evidence provided to us that the Candidate is wholly unsuitable for the position offered by you.
- 4.5. Fees for an Additional Service will be agreed with you and are payable on delivery of the service or at such other time as may be agreed in writing.
- 4.6. An Engagement during Fee Period (b) is deemed to be as a result of the relevant Introduction unless you have complied with clause 2.4; accordingly, and for the avoidance of doubt, there is no implied term that an Introduction must be the effective cause of an Engagement during Fee Period (b). Without prejudice to the foregoing, if you have complied with clause 2.4, the evidence is that our Introduction was not the effective cause of the Engagement, and you have not taken any step to affirm our effort or involvement in respect of the Candidate, we shall release our Fee.

- 4.7. For the avoidance of doubt, save as where otherwise provided for
- (a) where we have Introduced a Candidate your decision to Engage the Candidate based on or resulting from the use of Social Media or another source shall not disentitle us to our Fee
  - (b) we are entitled to a Fee for an Introduction
    - (i) regardless of an arrangement for a fee or otherwise that you may have with a third party for the same Candidate
    - (ii) howsoever you Engage the Candidate regardless of the job description for which the Candidate may be Engaged, whether the position sought to be filled by you has changed, or the role or tasks to be performed or undertaken by the Candidate are different from those provided to us in respect of the Requirement
    - (iii) an Introduction entitling us to our Fee in the event of your Engagement shall be deemed to exist notwithstanding that you, or a person at your request, may have initially introduced the Candidate to us for the provision of all or part of our Services to you.
- 4.8. We may issue an invoice to you
- (a) for the relevant Fee under each Engagement upon, or as soon as is appropriate after, the commencement of the Engagement, at any time after an Offer or, as the case may be, at the Invoicing Interval or at any times or intervals specified in these Terms or otherwise agreed
  - (b) for an Additional Service at the time agreed for the service, or upon delivery of the service without agreement.
- 4.9. Whilst it is our normal practice to raise invoices for Temp Placements or Temp Supply at the relevant Invoicing Interval, time shall not be of the essence, our agreement to invoice shall not be subject to an implied condition that delay amounts to a waiver of any kind, and, for the avoidance of doubt, there shall be no limit save any statutory limit on the time by which we are obliged to raise a valid enforceable invoice.
- 4.10. All Fees are subject to value added tax which shall be charged in addition and, for the purpose of calculating our Fee, Remuneration in foreign currency will be calculated at the Bank of England Sterling exchange rate applicable on the date of our invoice, or in the case of a debt otherwise due and we so elect, the rate applicable on the date of actual payment.
- 4.11. 6.0. For the period of supply our Fee will be calculated in accordance with Fees 3 of the Fee Scales, time spent being in accordance with records of time worked and/or services provided by the Candidate and material costs, if any. Whether or not a rate is agreed, we may increase our Fee to reflect additional costs incurred as a result of

- (a) compliance with applicable legislation (whether specific to a particular Candidate, or applicable to our business or part of it) including relating to, the National Minimum Wage, the AWR, working time, National Insurance contributions, the Apprenticeship Levy (under Part 6 of the Finance Act 2016), tax requirements relating to the supply of Candidates including those under the OPR, auto enrolment and statutory pension contributions

- (b) imposition of, or changes to existing, sectoral guidance or conditions with which suppliers to that sector are generally expected to comply.
- 6.1. Nothing in clause 6.0 shall disentitle you from terminating a Temp Supply in the event of an increase of our Fee, but not so that you may avoid payment of an increase for which you are already liable.
- 6.2. You agree at the end of the Validation Period to verify and confirm to us a correct record of hours worked by the Candidate, or, in the case of project work services chargeable upon deliverables, verify the objectives achieved. We may specify use of a system or suitable forms and/or methodology for verification ('System'), and in that event you agree to use the System for this purpose. You agree that your verification in accordance with this provision is conclusive evidence of the acceptance of time spent and/or works undertaken by the Candidate for the relevant period.
- 6.3. You agree to keep the records referred to under clause 6.2 until all matters under the Temp Supply are concluded, and for not less than 12 months after the end of the Temp Supply.

- 6.5. Where you comply with clause 6.4 and you have first paid to us the amount due for the relevant undisputed time or other element, we agree that you may withhold a disputed amount for a period of 21 days or such longer period as we may agree, to enable the dispute to be resolved without prejudice to our entitlement to interest for late payment or our entitlement to issue an invoice and/or commence proceedings for recovery of our Fee.
- 6.6. For the avoidance of doubt
- (a) your failure to verify or sign a record in accordance with clause 6.2 shall amount to a material breach of contract and you shall not be entitled to refuse payment to us based on such failure
  - (b) you are not entitled to withhold payment due to any matter relating to the quality of work by the Candidate
  - (c) notwithstanding any dispute, we are entitled to raise an invoice for our Fee.

- (a) because you acknowledge that you may at any time employ the Candidate, the Requirement shall be, and shall be treated by both Parties as, a requirement for a Perm Placement in respect of which our capacity is as an Introducer until such time as you agree all the terms of the Temp Supply in relation to the Candidate at which time our capacity shall be as Supplier until the end of the Temp Supply
  - (b) the fact of termination of a Temp Supply shall constitute a Requirement by you for a further Introduction of the Candidate concerned in our capacity as an Introducer (although there is no obligation upon you to employ or engage the Candidate) and for the avoidance of doubt our capacity as a Supplier shall cease on such termination

- 8.4. Without prejudice to the provisions of Section 7, no Transfer Fee shall be due if all the following conditions are complied with:

- 8.8. For the avoidance of doubt
- (a) we shall not be at fault in failing to supply the Candidate under an Optional Supply if the Candidate does not provide services because the Candidate is not ready, willing or able to do so, or if the services are not provided or the Optional Supply is terminated due to a material breach of these Terms by you
  - (b) if an Optional Supply is ended prematurely for any reason other than our own fault you shall not be entitled to a discount against the Transfer Fee should you then Engage the Candidate other than under an Assignment for which we are due a Fee, and we may at our discretion either issue an invoice for the Transfer Fee or for the balance of Fees due to us as if the Optional Supply had continued for the agreed term
