 **awaze**

Based in the heart of Manchester, I'm currently responsible for helping to scale MRJ's UX/UI division.

Over the last year I've been successful in placing UX and design candidates at some of Manchester's leading retail and tech brands such as N Brown, Bright HR, awaze and Frasers Group.

It would be great to share knowledge on how we can assist you now and/in the future.

SPECIALIST KNOWLEDGE AREAS:

UX/UI DESIGN, PRODUCT DESIGN, UX RESEARCH, GRAPHIC DESIGN

TYPICAL ROLE FOCUS:

UX DESIGNER, UI DESIGNER, UX/UI DESIGNER, UX LEAD, UX RESEARCHER, PRODUCT DESIGNER, GRAPHIC DESIGNER, DIGITAL DESIGNER

“We launched our new tech hub in Manchester in September 2020 to bring together all our brands under one roof. Key to our recruitment & growth plan was to find a true partner who were experts in the local market and were recommended to the team at MRJ. We could not be happier with the results so far. Since day one, the team led by Jody, have embedded themselves into AWAZE, rewriting all our specs, creating a brand message and immersing themselves in the challenge. We could not be happier with the successful hires we have been made to date and have no doubt that we made the right choice as we continue our growth into 2021.”

Stuart Lawrence, CTO, Awaze

Candidates I've placed at AWAZE

Lauren Parker. Marketing Manager

Dillon Harewood, Campaign Designer
