

# Pareto Safeguarding & Prevent Essentials Introduction

We are pleased to announce that our Safeguarding & Prevent Essentials e-learning course is now up and running

It is extremely important to us, here at Pareto, to ensure our learners understand and value how to stay safe from the risk of abuse, neglect and radicalisation.

This course will support our learners with establishing a clear understanding of how Pareto manage and promote Safeguarding & Prevent.

By the end of the course our learners will know how to spot potentials risks of abuse, neglect and radicalisation and will know how to report a concern to Pareto.

✓ **The course is accessed through the apprentice learning platform (Aptem)**

✓ **It is engaging, interactive and user-friendly**

The course is accessed via three parts that feature in the first two weeks of the learning plan
