Local Testimonial

Daniel was a pleasure to work with, right from the start he listened to what I needed and then got on with the job of getting the right people for our business quickly. I gave Daniel some challenging objectives to meet! He had an open and refreshing outlook to recruitment offering alternative solutions when required. Daniel was very contactable throughout the process and we built up a comfortable and friendly rapport that made the whole task easier than expected. It would be a pleasure to work with him again.
