The Sheffield College

We were a member of staff down due to sickness and needed a skilled technician to cover their position. Within a few hours of contacting Senitor they were able to send us CVs for suitable candidates. They offered us the chance of 'try before you buy' with a day's work if we wanted or phone / face to face style interviews.
After seeing a couple of candidates we made our choice and have been very pleased with him. September is a really busy time of year for us and an additional pair of hands has proven invaluable.
I was happy to recommend Senitor to a colleague who was also looking for temporary IT staff.
