Local Testimonial

Senitor was a pleasure to work with, right from the start they listened to what I needed and then got on with the job of getting the right people for our business quickly. I gave them some challenging objectives to meet! They had an open and refreshing outlook to recruitment offering alternative solutions when required. The team was very contactable throughout the process and we built up a comfortable and friendly rapport that made the whole task easier than expected. It would be a pleasure to work with Senitor again.

Zoe Crawford, Customer Service Manager, M2

Thank you to Senitor for all your help and support. Was able to obtain a new role in a really good company thanks to him.
