

DIVERSITY DATA

TPP Registered Candidates

TPP Recruitment is committed to improving diversity within our organisation, that of the recruitment industry and the sectors we serve. To make progress with this ambition, we need to monitor this data and continually looks for ways to attract, develop and retain talent.

TPP understands the complexity of intersectionality and embraces the extraordinary diversity this can bring to all organisations. TPP is committed to working in partnership with our clients to ensure we understand and support their ED&I goals throughout the recruitment process from role design, advertising, shortlisting, interviews, offer and onboarding. Inclusion and diversity cultivates an environment of innovation and creativity, where candidates are typically happier and more loyal employees which is imperative when looking at attraction and retention strategies.

Survey completed by TPP's registered candidates between January 2023 - December 2024. TPP monitor data on all protected characteristics.

HOW DO YOU IDENTIFY YOUR GENDER?

- Female - 64%
